

S.C.O.R.E. SYSTEM – STEP 5

Emphasize listening, focus and perseverance

1. Build focus and attention

Sitting still for a long period

Rushing through the test/questions

2. Build listening skills

Do you have your “listening ears” on?

Look at me and watch my mouth

Play telephone

Repeat instructions

Memorize jokes, poems, and songs

Can you tell me what I just read to you?

3. Build perseverance

Teach the word “perseverance”

Self-talk

Back up – try easier questions

Break up questions if you can

You’ve done it before!

Praise for trying

Parents’ Tips:

Prepare early

Start easy

Take it slowly

Praise for trying

Keep sessions short and fun

Take breaks

Just a few more...

Time off

Pretend to be stumped

Daily routine

Celebrate mistakes

Rewards for mastering harder questions
